GRANDFATHERED HEALTH PLAN NOTICE

This Diocese of La Crosse Priest Group Medical & Dental Benefit Plan believes this Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to Other Plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of Lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at the Diocese of La Crosse. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans

DENTAL BENEFITS

This insurance will pay many of your dental expenses. What we pay and the terms for payment are explained below.

COVERED CHARGES

Covered Charges are charges for the dental services named in the List of Covered Dental Services performed by or under the direct supervision of a Dentist.

We only pay for Covered Expenses incurred by a Covered Person while he is insured. Covered Charges are incurred:

1. For a crown, bridge or cast restoration, on the date the tooth is prepared.
2. For any other Prosthetic Device, on the date the master impression is made.
3. For root canal treatment, on the date the pulp chamber is opened.

All other services are incurred on the date the services are furnished.

PRE-TREATMENT REVIEW

After an examination, your dentist may recommend a treatment plan. If the services involve crowns, fixed bridgework, partial or complete dentures, or implants, ask your dentist to send the treatment plan with radiographs to Delta Dental. The available coverage will be calculated and printed on a Predetermination of Benefits form. Copies of the form will be sent to you and your dentist.

The Predetermination of Benefits form is valid for 1 year from the date issued.

Predeterminations are not required, but Delta Dental encourages you to use this service. Should you have any questions about a predetermination, just call us at 800-236-3712.

Before you schedule dental appointments, you should discuss with your dentist the amount to be paid by Delta Dental and your financial obligation for the proposed treatment.

OPTIONAL TREATMENT

Delta Dental will pay the applicable Maximum Plan Allowance for the least expensive dental procedure that is adequate to restore the tooth or dental arch to contour and function, but only if that dental procedure is a benefit under your dental Plan. You will be responsible for the remainder of the dentist's fee if a more expensive dental procedure is selected. The coinsurance and deductible will apply regardless of which dental procedure is selected.

BENEFITS FROM OTHER SOURCES

This Plan supplements your Major Medical.

This Plan and your Major Medical may provide benefits for the same charges. If they do, we subtract what the Major Medical pays from what we'd otherwise pay.

Other plans may furnish similar benefits, too. If you are, we coordinate our benefits with the benefits from these other plans. We do this so no one gets more in benefits than the charges he incurs. Read "Coordination of Benefits" to see how this works.

THE BENEFIT PROVISION - QUALIFYING FOR BENEFITS

Deductible

There is no Deductible for dental services. We pay for dental services at the applicable payment rate.

Maximum Annual Benefit

All charges must be incurred while the Covered Person is insured. We limit what we pay each Contract Year to \$1,500.00 per Covered Person. What we pay is based on all of the terms of this Plan.

Payment Rates

Benefits for Covered Charges are paid at the following rates:

- Benefits for Group I Services (Preventive & Diagnostic) are paid at a rate of.....80%
- Benefits for Group II Services (Basic) are paid at a rate of.....80%
- Benefits for Group III Services (Major) are paid at a rate of50%

AFTER THIS INSURANCE ENDS

Benefits will be paid for the following work started while a Covered Person is insured under this Plan and is completed in the 60 days after this insurance ends:

1. A crown, bridge or cast restoration, if the tooth is prepared and impressions taken before coverage ends;
2. Any other Prosthetic Device, if the final impressions are taken before the coverage ends; and
3. Root canal treatment, if the pulp chamber is opened before the coverage ends.

No benefits will be paid for any type of work not listed above which is completed after this insurance ends.

SPECIAL LIMITATIONS

Pre-Existing Condition (Teeth Lost Before Becoming Insured By This Plan)

We won't pay for a Prosthetic Device which replaces one or more teeth before a Covered Person became insured by this Plan if You declined to enroll when first given the opportunity (i.e. at initial enrollment).

If This Plan Replaces Another Plan

This Plan may be replacing another plan your Employer had with some other insurer.

We don't want anyone to lose benefits when this happens. So we pay for certain charges incurred before this Plan starts, if:

1. The Covered Person was insured by the old plan; and
2. The old plan would have paid for such charges.

This Plan must start right after the old plan ends, and the Covered Person must be insured by this Plan from the start.

We limit what we pay to the lesser of:

1. What the old plan would have paid; or
2. What we would otherwise pay.

We deduct any benefits actually paid by the old plan under any extension provision.

EXCLUSIONS

We won't pay for:

1. Oral hygiene, plaque control or diet instruction;
2. Precision or semi-precision attachments;

3. Treatment which does not meet accepted standards of dental practice or is experimental in nature;

13. Services for infection control procedures (sepsis control – rubber gloves, gowns, etc.) when billed separately from actual dental treatment.
14. Charges for the completion of forms or for missed appointments.
15. Procedures or benefits not specifically provided under this dental plan or excluded by Delta Dental rules and regulations, including Delta processing policies, which may change periodically and are printed on the Explanation of Benefits and Explanation of Payment forms.

If a charge is made and we are legally required to pay for it, we will.

Dentist:

Delta Dental PPO Dentists

Delta Dental PPO Dentists have signed a contract with Delta Dental, agreeing to accept reduced fees for the dental procedures they provide. And because these dentists agree to fees approved by Delta Dental, they receive payment directly from Delta Dental.

Dentists Outside the Delta Dental PPO Network

Delta Dental Premier Dentists

Delta Dental Premier Dentists have signed a contract with Delta Dental, agreeing to accept direct payment from Delta Dental. They have also agreed not to charge you any amount that exceeds the Maximum Plan Allowance (MPA). However, you are still responsible for deductibles, copayments, coinsurance, and fees for services that are not benefits under this dental Plan.

The Maximum Plan Allowance is the total dollar amount allowed for a specific benefit. The Maximum Plan Allowance will be reduced by any deductible and coinsurance you are required to pay.

Non-contracted Dentists

If your dentist has not signed a contract with Delta Dental, claim payments will still be calculated based on the MPA, but they will be sent directly to you rather than to the dentist. You will then reimburse your dentist through his or her usual billing procedure. You will be responsible for any amount in excess of the Maximum Plan Allowance, as well as any deductible, copayment, coinsurance, and fees for services that are not benefits under this dental Plan.

Please note that if the fee charged by a non-contracted dentist is not allowed in full, Delta Dental is not implying that the dentist is overcharging. Dental fees vary and are based on each dentist's overhead, skill, and experience. Therefore, not every dentist will have fees that fall within the MPA.

For information on Delta Dental PPO or Delta Dental Premier Dentists, visit Delta Dental's website at www.deltadentalwi.com or call 800-236-3712.

THIS PAGE IS INTENTIONALLY LEFT BLANK.

SECTION 3

ELIGIBILITY

THIS PAGE IS INTENTIONALLY LEFT BLANK.

PLEASE NOTE THAT SECTIONS 3 AND 4 OF THIS DOCUMENT PROVIDE REQUIRED LANGUAGE DUE TO FEDERAL LAWS AND REGULATIONS AND THIS LANGUAGE HAS BEEN INCLUDED IN ITS ENTIRETY.

ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

These provisions apply to Employees who become eligible on or after the effective date of this Plan.

Employees who were eligible and covered under any plan that this Plan replaces will be eligible on the Effective Date of this Plan. Any Waiting Period or portion thereof satisfied under the prior plan will be applied toward satisfaction of the Waiting Period of this Plan.

EMPLOYEE COVERAGE

Employee Eligibility

You are eligible for coverage under the Plan if You are an Employee of the Employer and You are Legally Employed.

Your eligibility date is the date You satisfy the above conditions.

Employee Effective Date

Your effective date will be Your eligibility date. Your coverage under this Plan will commence on Your effective date provided that You have enrolled on forms furnished and accepted by the Plan Administrator within 31 days of Your effective date, and You are making any required contributions.

If Your completed enrollment forms are received by the Plan Administrator **more than 31 days after** Your effective date, You will be a **Late Enrollee**.

An eligible Employee must begin active work with the Employer before coverage will be effective under the Plan. Employee coverage will begin at 12:01 AM on the Employee's effective date of coverage under the Plan.

SPECIAL AND LATE ENROLLMENT

If You have a special enrollment event, the Plan will provide a new enrollment date for You to enter the Plan as shown below. At that time, You will be able to enroll in the Plan without being subject to the Late Enrollee provisions of the Plan. If the Plan has more than one benefit option, You will be able to select from all options for which You are eligible.

Special Enrollment for Individuals Losing Coverage

You are entitled to enroll in the Plan during a Special Enrollment Period if You meet all of the following requirements:

1. You are eligible for coverage under the Plan but are not currently covered under the Plan;
2. You previously declined to enroll in the Plan and signed a written waiver of coverage, stating as the reason the existence of alternative group or other health coverage (including COBRA); and
3. You were covered under such alternative group or other health coverage at the time You signed the waiver, and such coverage is no longer available, for any of the reasons set forth below.

A loss of coverage occurs if the other coverage ends:

1. Due to Your exhaustion of the maximum COBRA period;
2. Due to Your loss of eligibility. "Loss of Eligibility" means loss of coverage resulting from termination of employment, a reduction in the number of hours of employment, or any loss of eligibility after a period that is measured based on any of those events.

Eligibility and Effective Date of Coverage (continued)

Loss of Eligibility shall not mean loss of coverage resulting from an individual's failure to pay premiums on a timely basis or any termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of fact in connection with such coverage.) or

3. Due to termination of employer contributions towards the cost of the other coverage.

A special enrollment event occurs when one of the above takes place. You **must** provide proof that the other coverage was lost due to one of the above shown reasons. At that time, an Employee may be enrolled in this Plan.

Special Enrollment Period (Time Frames for Enrollment)

"Special Enrollment Period" shall mean, with respect to "Special Enrollment for Individuals Losing Coverage", the period which ends 31 days after:

1. The date on which the coverage is exhausted, if the coverage was COBRA continuation coverage; or
2. The date on which the coverage terminated because of Loss of Eligibility or termination of employer contributions toward the cost of such coverage, for other individual or group health coverage.

Late Enrollment

An enrollment is "late" if it is not made on a "timely basis" or during a special enrollment period.

If an individual loses eligibility for coverage as a result of terminating employment or a general suspension of coverage under the Plan, then upon becoming eligible again due to resumption of employment or due to resumption of Plan coverage, only the most recent period of eligibility will be considered for purposes of determining whether the individual is a Late Enrollee.

The Enrollment Date for a Late Enrollee is the first day of coverage. Thus, the time between the date a Late Enrollee first becomes eligible for enrollment under the Plan and the first day of coverage is not treated as a Waiting Period.

Effective Date of Coverage; Conditions

All conditions for effectiveness of coverage under the Plan which are set forth in "Employee Coverage" will apply to persons enrolling during a Special Enrollment Period. Coverage for Employees enrolling during a Special Enrollment Period will become effective at 12:01 AM on the date following the loss of coverage or the first day of the month following the receipt by the Plan of the required enrollment forms. Enrollment must be in writing in a form furnished and accepted by the Plan Administrator, and must be received by the Plan Administrator within 31 days of the eligibility date under "Special Enrollment Period". If You enroll for coverage more than 31 days after the date of qualifying event under the Special Enrollment Period, You will be considered a Late Enrollee under the Plan.

GINA

"GINA" prohibits group health plans, issuers of individual health care policies, and employers from discriminating on the basis of genetic information.

The term "genetic information" means, with respect to any individual, information about:

1. Such individual's genetic tests;
2. The genetic tests of family members of such individual; and
3. The manifestation of a disease or disorder in family members of such individual.

The term "genetic information" includes participating in clinical research involving genetic services. Genetic tests would include analysis of human DNA, RNA, chromosomes, proteins, or metabolite that detect genotypes, mutations, or chromosomal changes. Genetic information is a form of Protected Health Information (PHI) as defined by and in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), and is subject to applicable Privacy and Security Standards.

Eligibility and Effective Date of Coverage (continued)

Family members as it relates to GINA include dependents, plus all relatives to the fourth degree, without regard to whether they are related by blood, marriage, or adoption. Underwriting as it relates to GINA includes any rules for determining eligibility, computing premiums or contributions, and applying preexisting conditions. Offering reduced premiums or other rewards for providing genetic information would be impermissible underwriting.

GINA will not prohibit a health care Provider who is treating an individual from requesting that the patient undergo genetic testing. The rules permit the Plan to obtain genetic test results and use them to make claims payment determinations when it is necessary to do so to determine whether the treatment provided to the patient was medically advisable and/or necessary.

The Plan may request, but not require, genetic testing in certain very limited circumstances involving research, so long as the results are not used for underwriting, and then only with written notice to the individual that participation is voluntary and will not affect eligibility for benefits, premiums or contributions. In addition, the Plan will notify and describe its activity to the Health and Human Services secretary of its activities falling within this exception.

While the Plan may collect genetic information after initial enrollment, it may not do so in connection with any annual renewal process where the collection of information affects subsequent enrollment. The Plan will not adjust premiums or increase group contributions based upon genetic information, request or require genetic testing or collect genetic information either prior to or in connection with enrollment or for underwriting purposes.

REINSTATEMENT OF COVERAGE FOLLOWING LAYOFF OR APPROVED LEAVE OF ABSENCE

If You are now an eligible Employee and Your coverage under the Plan was terminated after a period of layoff or approved leave of absence, and You are now returning to work within one year of such termination, You may resume coverage under this Plan effective the first day You return to work, and You will receive credit for prior coverage under this Plan toward satisfaction of the Waiting Period.

TERMINATION OF COVERAGE

Coverage under this Plan for any Covered Person will terminate at 12:01 AM on the earliest of the following:

1. The date of termination of the Plan;
2. The last day of the month in, or with respect to which, he requests that such coverage be terminated, provided such request is made on or before such date;
3. The date of the expiration of the last period for which the Employee has made a contribution, in the event of his failure to make, when due, any contribution for coverage for himself to which he has agreed in writing;
4. The last day of the month in which he ceases to be eligible for such coverage under the Plan;
5. The last day of the month in which the termination of employment occurs; or
6. Immediately after an Employee submits, or has knowledge of the submission of, a fraudulent claim or any fraudulent information to the Plan, including enrollment information.
7. The date You die.

TERMINATION DUE TO FRAUD

The following actions by any Covered Person, or a Covered Person's knowledge of such actions being taken by another, constitute fraud and will result in immediate termination of all coverage under this Plan for the entire Family Unit of which the Covered Person is a member:

1. Attempting to submit a Claim for Benefits (which includes attempting to fill a prescription) for a person who is not a Covered Person of the Plan;

Eligibility and Effective Date of Coverage (continued)

2. Attempting to file a claim for a Covered Person for services which were not rendered or Drugs or other items which were not provided;
3. Providing false or misleading information in connection with enrollment in the Plan; or
4. Providing any false or misleading information to the Plan.

RETIREE CONTINUATION

Retirement Status priests over 65 must elect Medicare Parts A & B, and coverage will continue with Medicare as the primary payor. Retirement Status priests are those priests who have been granted Retirement Status by the Diocesan Bishop.

IMPORTANT NOTICE FOR ACTIVE EMPLOYEES AGE 65 AND OVER

If You are an active Employee age 65 and over and are eligible for Medicare, You have the option of either:

1. Continuing coverage under this Plan, in which case Medicare benefits would be secondary to this Plan; or
2. Electing Medicare coverage as primary, in which case **no benefits** would be payable under this Plan.

Contact Your Plan Administrator for further information.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

The Uniformed Services Employment and Reemployment Rights Act (“USERRA”) is a federal law, effective October 13, 1994, which provides that You may elect to continue coverage under the Plan for Yourself and Your Dependents, where:

1. They were Covered Persons in the Plan immediately prior to the Employee’s leave of absence for Uniformed Service; and
2. The reason for the Employee’s leave of absence is service in the Uniformed Service of coverage during military leave.

The law requires that an Employer continue to provide coverage under this Plan during a military leave that is covered by the Act for You and Your Dependents which is identical to coverage provided under the Employer’s Plan to similarly situated, Employees and Dependents. This means that if the coverage for similarly situated Employees and Dependents is modified, coverage for the individual on USERRA leave will be modified. The cost of such coverage will be:

1. For leaves of 30 days or less, the same as the Employee contribution required for similarly situated Employees;
2. For leaves of 31 days or more, up to 102% of the full Plan contribution.

Continuation applies to medical, dental, prescription drug, vision and other health coverages as provided under this Plan. Short and long term disability and life insurance coverage will not be included in this continuation.

For Employers subject to COBRA, continued coverage provided under this provision will reduce the allowed maximum period of continuation provided under COBRA.

Maximum Period of Coverage during USERRA Leave

Continued coverage under this provision will terminate on the earlier of the following events:

1. The date You fail to return to Employment with the Employer following completion of Your leave. Employees must return to employment within:
 - a. The first full business day of completing Uniformed Service, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such Uniformed Service,
 - b. 14 days of completing Uniformed Service, for leaves of 31 to 180 days,
 - c. 90 days of completing Uniformed Service, for leaves of more than 180 days; or
2. 24 months from the date Your leave began.

REINSTATEMENT OF COVERAGE FOLLOWING MILITARY LEAVE

The law also requires, regardless of whether continuation as stated above was elected, that Your coverage and Your Dependents’ coverage be reinstated immediately upon Your honorable discharge from Uniformed Service and return to employment, if You return within:

1. The first full business day of completing Your Uniformed Service, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such Uniformed Service;
2. 14 days of completing Uniformed Service, for leaves of 31 to 180 days;
3. 90 days of completing Uniformed Service, for leaves of more than 180 days;

If, due to a Sickness or Injury caused or aggravated by Your Uniformed Service, You cannot return to work within the times stated above, You may take up to a period of two years, or as soon as reasonably possible if for reasons beyond Your control You cannot return within two years, to recover from such Sickness or Injury and return to employment within the times stated above.

Continued coverage through USERRA will not include coverage for any Sickness or Injury caused or aggravated by Your military service, as determined by the Secretary of Veteran Affairs.

Uniformed Services Employment & Reemployment Rights Act (USERRA) (continued)

PLAN DESCRIPTION INFORMATION

INTRODUCTION AND PURPOSE

The Plan Sponsor has established the Plan for the benefit of eligible Employees, on the terms and conditions described herein. Plan benefits may be self-funded through a benefit fund or a trust established by the Plan Sponsor or may be funded solely from the general assets of the Plan Sponsor. PLAN ADMINISTRATION

Plan Administrator

The Plan is administered by the Plan Administrator. An individual or entity may be appointed by the Plan Sponsor to be Plan Administrator and serve at the convenience of the Plan Sponsor. If the Plan Administrator resigns, dies, is otherwise unable to perform, is dissolved, or is removed from the position, the Plan Sponsor shall appoint a new Plan Administrator as soon as reasonably possible.

The Plan Administrator has retained the services of the Administrative Service Manager to provide certain claims processing and other technical services.

The Plan Administrator shall administer this Plan in accordance with its terms and establish its policies, interpretations, practices, and procedures. It is the express intent of this Plan that the Plan Administrator shall have maximum legal discretionary authority to construe and interpret the terms and provisions of the Plan, to make determinations regarding issues which relate to eligibility for benefits (including the determination of what services, supplies, care and treatments are Experimental), to decide disputes which may arise relative to a Covered Person's rights, and to decide questions of Plan interpretation and those of fact relating to the Plan. The decisions of the Plan Administrator as to the facts related to any Claim for Benefits and the meaning and intent of any provision of the Plan, or its application to any claim, shall receive the maximum deference provided by law and will be final and binding on all interested parties. Benefits under this Plan will be paid only if the Plan Administrator decides, in its discretion, that the Covered Person is entitled to them.

Duties of the Plan Administrator

The duties of the Plan Administrator include the following:

1. To administer the Plan in accordance with its terms;
2. To determine all questions of eligibility, status and coverage under the Plan;
3. To interpret the Plan, including the authority to construe possible ambiguities, inconsistencies, omissions and disputed terms;
4. To make factual findings;
5. To decide disputes which may arise relative to a Covered Person's rights;
6. To prescribe procedures for filing a Claim for Benefits, to review claim denials and appeals relating to them and to uphold or reverse such denials;
7. To keep and maintain the Plan documents and all other records pertaining to the Plan;
8. To appoint and supervise a third party administrator to pay claims;
9. To establish and communicate procedures to determine whether a medical child support order is a QMCSO;
10. To delegate to any person or entity such powers, duties and responsibilities as it deems appropriate; and
11. To perform each and every function necessary for or related to the Plan's administration.

COORDINATION OF BENEFITS

Benefits Subject to This Provision

This provision shall apply to all benefits provided under any section of this Plan with the following exception: Coordination does not apply to prescription drug benefits available under a prescription drug card.

Excess Insurance

If at the time of Injury, Sickness, disease or disability there is available, or potentially available any Coverage (including but not limited to Coverage resulting from a judgment at law or settlements), the benefits under this Plan shall apply only as an excess over such other sources of Coverage.

The Plan's benefits will be excess to, whenever possible:

1. any primary payer besides the Plan;
2. any first party insurance through medical payment coverage, personal injury protection, no-fault coverage, uninsured or underinsured motorist coverage;
3. any policy of insurance from any insurance company or guarantor of a third party;
4. worker's compensation or other liability insurance company; or
5. any other source, including but not limited to crime victim restitution funds, any medical, disability or other benefit payments, and school insurance coverage.

Vehicle Limitation

When medical payments are available under any vehicle insurance, the Plan shall pay excess benefits only, without reimbursement for vehicle plan and/or policy deductibles. This Plan shall always be considered secondary to such plans and/or policies. This applies to all forms of medical payments under vehicle plans and/or policies regardless of its name, title or classification.

Allowable Expenses

"Allowable Expenses" shall mean the Maximum Plan Allowance for any eligible item of expense, at least a portion of which is covered under this Plan. When some Other Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service, rendered, in the amount that would be payable in accordance with the terms of the Plan, shall be deemed to be the benefit. Benefits payable under any Other Plan include the benefits that would have been payable had claim been duly made therefore.

Claim Determination Period

"Claim Determination Period" shall mean each Calendar Year.

Effect on Benefits:

Application to Benefit Determinations

The plan will pay first according to the rules in the section entitled "Order of Benefit Determination" will pay as if there were no Other Plan involved. The secondary and subsequent plans will pay the balance due up to 100% of the total Allowable Expenses. When there is a conflict in the rules, this Plan will never pay more than 50% of Allowable Expenses when paying secondary. Benefits will be coordinated on the basis of a Claim Determination Period.

When medical payments are available under automobile insurance, this Plan will pay excess benefits only, without reimbursement for automobile plan deductibles. This Plan will always be considered the secondary carrier regardless of the individual's election under personal injury protection (PIP) coverage with the automobile insurance carrier.

In certain instances, the benefits of the Other Plan will be ignored for the purposes of determining the benefits under this Plan. This is the case when:

1. The Other Plan would, according to its rules, determine its benefits after the benefits of this Plan have been determined; and
2. The rules to the section entitled "Order of Benefit Determination" would require this Plan to determine its benefits before the Other Plan.

Coordination of Benefits (continued)

Order of Benefit Determination

For the purposes of the section entitled “Application to Benefit Determinations,” the rules establishing the order of benefits determination are:

1. A plan without a coordinating provision will always be the primary plan;
2. the benefits of a plan which covers the person on whose expenses claim is based, other than as a dependent, shall be determined before the benefits of a plan which covers such person as a dependent;
3. If the person for whom claim is made is a dependent child covered under both parents’ plans, the plan covering the parent whose birthday (month and day of birth, not year falls earlier in the year will be primary, except:
 - a. When the parents are separated or divorced, and the parent with the custody of the child has not remarried, the benefits of a plan which covers the child as a dependent of the parent with custody will be determined before the benefits of a plan which covers the child as a dependent of the parent without custody; or
 - b. When the parents are divorced and the parent with custody of the child has remarried, the benefits of a plan which covers the child as a dependent of the parent with custody shall be determined before the benefits of a plan which covers that child as a dependent of the stepparent, and the benefits of a plan which covers that child as a dependent of the stepparent will be determined before the benefits of a plan; which covers that child as a dependent of the stepparent, and the benefits of a plan which covers that child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody.

Notwithstanding the above, if there is a court decree which would otherwise establish financial responsibility for the child’s health care expenses, the benefits of the plan which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any Other Plan which covers the child as a depend child; and

When the rules above do not establish an order of benefit determination, the benefits of a plan when has covered the person on whose expense claim is based for the longer period of time shall be determined before the benefits of a plan which has covered such person the shorter period of time.

Right to Receive and Release Necessary Information

For the purpose of determining the applicability of the implementing the terms of this provision or any provision of similar purpose of any Other Plan, this Plan may, without the consent of or notice to any person, release to or obtain from any insurance company, or other organization or individual, any information with respect to any person, which the Plan deems to be necessary for such purposes. Any person claiming benefits under this Plan shall burnish to the Plan such information as may be necessary to implement this provision.

Facility of Payment

Whenever payment which should have been made under this Plan in accordance with this provision have been made under any Other Plans, the Plan Administrator may, in its sole discretion, pay any organization making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this provision, and amounts so paid shall be deemed to be benefits paid under this Plan and, to the extent of such payments, this Plan shall be fully discharged from liability.

Right of Recovery

In accordance with section 9.06C, whenever payments have been made by this Plan with respect to Allowable Expenses in a total amount, at any time, in excess of the maximum amount of payment necessary at that time to satisfy the intent of this Article, the Plan shall have the right to recover such payments, to the extent of such excess, from any one or more of the following as this Plan shall determine: any person to or with respect to whom such payments were made, or such person’s legal representative, any insurance companies, or any other individuals or organizations which the Plan determines are responsible for payment of such Allowable Expenses, and any future benefits payable to the Covered Person or his or her Dependents.

Coordination of Benefits (continued)

Provision for Coordination of Benefits with Medicare

Definitions

1. "Medicare" means that portion of Title 18 of the United States Social Security Act of 1965, as then constituted or as amended in the future.
2. "Fully Covered Person" means any person who is eligible for Medicare Coverage.
3. "Full Medicare Coverage" means coverage for all of the benefits provided under Medicare with the exception of Medicare Part D, including any benefits provided on an optional basis. For the purpose of this Provision, a Fully Covered Person will be considered to have Full Medicare Coverage.

Effects on Benefits

Coordination of benefits does not apply to Medicare Part D.

The benefits payable under this Plan for expenses incurred (as determined by the Benefit Provision of this Plan) by a Fully Covered Person shall be reduced by the amount such Fully Covered Person is eligible for benefits under Full Medicare Coverage. Any benefits received from Full Medicare Coverage not covered by this Plan shall not reduce benefits payable under this Plan.

Except that:

For active Employees age 65 and older who continue to participate in this Plan, this Plan will provide its full regular benefits first and Medicare coverage may provide supplemental benefits for those expenses not paid by this Plan. This provision does not apply to Employees entitled to Medicare because of total Disability or end stage renal disease. This provision intends to comply with the TEFRA Act of 1982.

THIRD PARTY RECOVERY, SUBROGATION AND REIMBURSEMENT

Payment Condition

The Plan in its sole discretion, may elect to conditionally advance payment of benefits in those situations where an injury, sickness, disease or disability is caused in whole or in part by, or results from the acts or omissions, personal representative, or assigns (collectively referred to hereinafter in this section as “Covered Person(s)”) or a third party, where any party besides the Plan may be responsible for expenses arising from an incident, and/or other funds are available, including but not limited to no-fault, uninsured motorist, underinsured motorist, medical payment provisions, third party assets, third party insurance, and/or grantor(s) of a third party (collectively “Coverage”).

Covered Person(s) his or her attorney, and/or legal guardian of a minor or incapacitated individual agrees that acceptance of the Plan’s conditional payment of medical benefits is constructive notice of these provisions in their entirety and agrees to maintain one hundred percent (100%) of the Plan’s conditional payment of benefits or the full extent of payment from any one or combination of first and third party sources in trust, without disruption except for reimbursement to the Plan or the Plan’s assignee. By accepting benefits the Covered Person(s) agrees the Plan shall have an equitable lien on any funds received by the Covered Person(s) and/or their attorney from any source and said funds shall be held in trust until such time as the obligations under this provision are fully satisfied. The Covered Person(s) agrees to include the Plan’s name as a co-payee on any and all settlement drafts.

In the event a Covered Person(s) settles, recovers, or is reimbursed by any Coverage, the Covered Person(s) agrees to reimburse the Plan for all benefits paid or that will be paid by the Plan on behalf of the Covered Person(s). If the Covered Person(s) fails to reimburse the Plan out of any judgment or settlement received, the Covered Person(s) will be responsible for any and all expenses (fees and costs) associated with the Plan’s attempt to recover such money.

If there is more than one party responsible for charges paid by the Plan, or may be responsible for charges paid by the Plan, the Plan will not be required to select a particular party from whom reimbursement is due. Furthermore, unallocated settlement funds meant to compensate multiple injured parties of which the Covered Person(s) is/are only one or a few, that unallocated settlement fund is considered designated as an “identifiable” fund from which the Plan may seek reimbursement.

Subrogation

As a condition to participating in and receiving benefits under this Plan, the Covered Person(s) agrees to assign to the Plan the right to subrogate and pursue any and all claims, causes of action or rights that may arise against any person, corporation and/or entity and to any Coverage to which the Covered Person(s) is entitled, regardless of how classified or characterized, at the Plan discretion.

If a Covered Person(s) receives or becomes entitled to receive benefits, an automatic equitable lien attaches in favor of the Plan to any claim, which any Covered Person(s) may have against any Coverage and/or party causing the sickness or Injury to the extent of such conditional payment by the Plan plus reasonable costs of collection.

The Plan may, at its discretion, in its own name or in the name of the Covered Person(s) commence a proceeding or pursue a claim against any party or Coverage for the recovery of all damages to the full extent of the value of any such benefits or conditional payments advanced by the Plan.

If the Covered Person(s) fails to file a claim or pursue damages against:

1. the responsible party, its insurer, or any other source on behalf of that party;
2. any first party insurance through medical payment coverage, personal injury protection, no-fault coverage, uninsured or underinsured motorist coverage;
3. any policy of insurance from any insurance company or guarantor of a third party;
4. worker’s compensation or other liability insurance company; or
5. any other source, including but not limited to crime victim restitution funds, any medical, disability or other benefit payments, and school insurance coverage;

the Covered Person(s) authorizes the Plan to pursue sue, compromise and/or settle any such claims in the Covered Person(s) and/or the Plan’s name and agrees to fully cooperate with the Plan in the prosecution of any such claims. The Covered Person(s)

Recovery Rights – General Recovery Rights Provisions (continued)

assigns all rights to the Plan or its assignee to pursue a claim and the recovery of all expenses from any and all sources listed above.

Right of Reimbursement

The Plan shall be entitled to recover 100% of the benefits paid, without deductible for attorneys' fees and costs or application of the common fund doctrine, make whole doctrine, or any other similar legal theory, without regard to whether the Covered Person(s) is fully compensated by his/her recovery from all sources. The Plan shall have an equitable lien which supersedes all common law or statutory rules, doctrines, and laws of any State prohibiting assignment of rights which interferes with or compromises in any way the Plan's equitable lien and right to reimbursement. The obligation to reimburse the Plan in full exists regardless of how the judgment or settlement is classified and whether or not the judgment or settlement specifically designates the recovery or a portion of it as including medical, disability, or other expenses. IF the Covered Person(s)' recovery is less than the benefits paid, then the Plan is entitled to be paid all of the recovery achieved.

No court costs, experts' fees, attorneys' fees, filing fees, or other costs or expenses of litigation may be deducted from the Plan's recovery without the prior, expressed written consent of this Plan.

The Plan's right of subrogation and reimbursement will not be reduced or affected as a result of any fault or claim on the part of the Covered Person(s), whether under the doctrines or causation, comparative fault or contributory negligence, or other similar doctrine in law. Accordingly, any lien reduction status, which attempt to apply such laws and reduce a subrogating Plan's recovery will not be applicable to the Plan and will not reduce the Plan's reimbursement rights.

These rights of subrogation and reimbursement shall apply without regard to whether any separate written acknowledgment of these rights is required by the Plan and signed by the Covered Person(s).

This provision shall not limit any other remedies of the Plan provided by law. These rights of subrogation and reimbursement shall apply without regard to the location of the event that led to or caused the applicable sickness, injury, disease or disability.

Excess Insurance

If at the time of injury, sickness, disease or disability there is available or potentially available any Coverage (including but not limited to Coverage resulting from a judgment at law or settlement(s), the benefits under this Plan shall apply only as an excess over such other sources of Coverage, except as otherwise provided for under the Plan's Coordination of Benefits section. The Plan's benefits shall be excess to:

1. the responsible part, its insurer, or any other source on behalf of that party;
2. any first party insurance through medical payment coverage, personal injury protection, no-fault coverage, uninsured or underinsured motorist coverage;
3. any policy of insurance from any insurance company or guarantor of a third party;
4. worker's compensation or other liability insurance company; or
5. any other source, including but not limited to crime victim restitution funds, any medical, disability or other benefit payments, and school insurance coverage.

Separation of Funds

Benefits paid by the Plan, funds, recovered by the Covered Person(s), and funds held in trust over which the Plan has an equitable lien exist separately from the property and estate of the Covered Person(s), such that the death of the Covered Person(s), or filing of bankruptcy by the Covered Person(s), will not affect the Plan's equitable lien, the funds over which the Plan has a lien, or the Plan's right to subrogation and reimbursement.

Wrongful Death

In the event that the Covered Person(s) dies as a result of his or her injuries and a wrongful death or survivor claim is asserted against a third part or any Coverage, the Plan's subrogation and reimbursement right shall still apply.

Obligations

It is the Covered Person(s)' obligation at all times, both prior to and after payment of medical benefits by the Plan:

Recovery Rights – General Recovery Rights Provisions (continued)

1. to cooperate with the Plan, or any representatives of the Plan, in protecting its rights, including discovery, attending depositions, and/or cooperating in trial to preserve the Plan's rights;
2. to provide the Plan with pertinent information regarding the sickness, disease, disability, or injury, including accident reports, settlement information and any other requested additional information;
3. to take such action and execute such documents as the Plan may require to facilitate enforcement of its subrogation and reimbursement rights;
4. to do nothing to prejudice the Plan's rights of subrogation and reimbursement;
5. to promptly reimburse the Plan when a recovery through settlement, judgment, award or other payment is received; and
6. to not settle or release, without the prior consent of the Plan, any claim to the extent that the Covered Person may have against any responsible party or Coverage.

If the Covered Person(s) and/or his or her attorney fails to reimburse the Plan for all benefits paid or to be paid, as a result of said injury or condition, out of any proceeds, judgment or settlement received, the Covered Person(s) will be responsible for any and all expenses (whether fees or costs) associated with the Plan's attempt to recover such money from the Covered Person(s).

The Plan's rights to reimbursement and/or subrogation are in no way dependent upon the Covered Person(s)' cooperation or adherence to these terms.

Offset

Failure by the Covered Person(s) and/or his or her attorney to comply with any of these requirements may, at the Plan's discretion, result in a forfeiture of payment by the Plan of medical benefits and any funds or payments due under this Plan on behalf of the Covered Person(s) may be withheld until the Covered Person(s) satisfies his or her obligation.

Minor Status

In the event the Covered Person(s) is a minor as that term is defined by applicable law, the minor's parents or court-appointed guardian shall cooperate in any and all actions by the Plan to seek and obtain requisite court approval to bind the minor and his or her estate insofar as these subrogation and reimbursement provisions are concerned.

If the minor's parents or court-appointed guardian fail to take such action, the Plan shall have no obligation to advance payment of medical benefits on behalf of the minor. Any court costs or legal fees associated with obtaining such approval shall be paid by the minor's parents or court-appointed guardian.

Language Interpretation

The Plan Administrator retains sole, full and final discretionary authority to construe and interpret the language of this provision, to determine all questions of fact, and law arising under this provision, and to administer the Plan's subrogation and reimbursement rights. The Plan Administrator may amend the Plan at any time without notice.

Severability

In the event that any section of this provision is considered invalid or illegal for any reason, said invalidity or illegality shall not affect the remaining sections of this provision and Plan. The section shall be fully severable. The Plan shall be construed and enforced as if such invalid or illegal sections had never been inserted in the Plan.

GENERAL PROVISIONS

AMENDMENTS TO OR TERMINATION OF THE PLAN

The Plan Sponsor expects to maintain this Plan indefinitely; however, as the settlor of the Plan, the Plan Sponsor, through its directors and officers, may, in its sole discretion, at any time, amend, suspend or terminate the Plan in whole or in part. This includes amending the benefits under the Plan or the Trust Agreement (if any).

Any such amendment, suspension or termination shall be enacted, if the Plan Sponsor is a corporation, by resolution of the Plan Sponsor's directors and officers, which shall be acted upon as provided in the Plan Sponsor's Articles of Incorporation or Bylaws, as applicable, and in accordance with applicable federal and state law. In the event that the Plan Sponsor is a different type of entity, then such amendment, suspension or termination shall be taken and enacted in accordance with applicable federal and state law and any applicable governing documents. In the event that the Plan Sponsor is a sole proprietorship, then such action shall be taken by the sole proprietor, in his own discretion.

If the Plan is terminated, the rights of the Covered Persons are limited to expenses incurred before termination. All amendments to this Plan shall become effective as of a date established by the Plan Sponsor.

Plan assets will be allocated and disposed of for the exclusive benefit of Covered Persons, except that any taxes and administration expenses may be paid from the Plan's assets.

APPOINTMENT OF AUTHORIZED REPRESENTATIVE

A Covered Person is permitted to appoint an authorized representative to act on his behalf with respect to a benefit claim or appeal of a denial. An assignment of benefits by a Covered Person to a provider will not constitute appointment of that provider as an authorized representative. To appoint such a representative, the Covered Person must complete a form which can be obtained from the Plan Administrator or the Administrative Service Manager. However, in connection with a claim involving Urgent Care, the Plan will permit a health care professional with knowledge of the Covered Person's medical condition to act as his authorized representative without completion of this form. In the event a Covered Person designates an authorized representative, all future communications from the Plan will be with the representative, rather than the Covered Person, unless the Covered Person directs the Plan Administrator, in writing, to the contrary.

CLERICAL ERROR/DELAY

Clerical errors made on the records of the Plan and delays in making entries on such records shall not invalidate coverage nor cause coverage to be in force or to continue in force. Rather, the Effective Dates of coverage shall be determined solely in accordance with the provisions of this Plan regardless of whether any contributions with respect to Covered Persons have been made or have failed to be made because of such errors or delays. Upon discovery of any such error or delay, an equitable adjustment of any such contributions will be made.

CONFORMITY WITH APPLICABLE LAWS

This Plan shall be deemed to automatically be amended to conform as required by any applicable law, regulation or the order or judgment of a court of competent jurisdiction governing provisions of this Plan, including, but not limited to, stated Maximums, exclusions or limitations. In the event that any law, regulation or the order or judgment of a court of competent jurisdiction causes the Plan Administrator to pay claims which are otherwise limited or excluded under this Plan, such payments will be considered as being in accordance with the terms of this Plan Document. It is intended that the Plan will conform to any applicable law.

DISCRETIONARY AUTHORITY

The Plan Administrator shall have sole, full and final discretionary authority to interpret all Plan provisions, including the right to remedy possible ambiguities, inconsistencies and/or omissions in the Plan and related documents; to make determinations in regards to issues relating to eligibility for benefits; to decide disputes that may arise relative to a Plan Participants' rights; and to determine all questions of fact and law arising under the Plan.

General Provisions (continued)

FAILURE TO ENFORCE PLAN PROVISIONS

The Plan's failure to enforce any provision of the Plan will not affect the right, thereafter, to enforce such provision nor affect the right to enforce any other provision of the Plan.

FREE CHOICE OF PROVIDER

Any Covered Person may select any provider of service for care, treatment, services or supplies he wishes. This Plan does not dictate the choice of provider nor will it interfere in the provider/patient relationship or the course of treatment. The benefits available under this Plan will be provided, however, only to those providers and services defined and listed for coverage in the Summary Plan Description.

HEADINGS

The headings used in this Plan Document are used for convenience of reference only. Covered Persons are advised not to rely on any provision because of the heading.

LANGUAGE INTERPRETATION

The Plan Administrator retains sole, full and final discretionary authority to construe and interpret the language of this provision, to determine all questions of fact and law arising under this provision, and to administer the Plan's subrogation and reimbursement rights. The Plan Administrator may amend the Plan at any time without notice.

LIMITATION ON ACTIONS

No action at law or in equity shall be instituted to recover under this Plan prior to the expiration of 90 days after a Claim for Benefits has been filed in accordance with the requirements of this Plan. Any action with respect to a fiduciary's breach of any responsibility, duty or obligation hereunder must be brought within one year after the expenses due to Injury or Sickness are incurred or are alleged to have been incurred. Any limitation on actions regarding claims for benefits shall be as provided in Section, "General Provisions", "Claims Procedures; Payment of Claims", heading "Decision on Review to be Final".

MEDICAID COVERAGE

A Covered Person's eligibility for any state Medicaid benefits will not be taken into account in determining or making any payments for benefits to or on behalf of such Covered Person. Any such benefit payments will be subject to the state's right to reimbursement for benefits it has paid on behalf of the Covered Person, as required by the state Medicaid program; and the Plan will honor any Subrogation rights the state may have with respect to benefits which are payable under the Plan.

MENTAL HEALTH PARITY

Pursuant to the Mental Health Parity and Addiction Equity Act of 2008, this Plan applies its terms uniformly and enforces parity between covered health care benefits and covered mental health and substance disorder benefits relating to financial cost sharing restrictions and treatment duration limitations. For further details, please contact the Plan Administrator.

NO WAIVER OR ESTOPPEL

No term, condition or provision of this Plan shall be deemed to have been waived, and there shall be no estoppel against the enforcement of any provision of this Plan, except by written instrument of the party charged with such waiver or estoppel. No such written waiver shall be deemed a continuing waiver unless specifically stated therein, and each such waiver shall operate only as to the specific term or condition waived and shall not constitute a waiver of such term or condition for the future or as to any act other than the one specifically waived.

General Provisions (continued)

NON-U.S. PROVIDERS

Medical expenses for care, supplies, or services which are rendered by a Qualified Practitioner whose principal place of business or address for payment is located outside the United States (a "Non-U.S. Provider") are payable under the Plan, subject to all Plan exclusions, limitations, Maximums and other provisions, under the following conditions:

1. Benefits may not be assigned to a Non-U.S. Provider;
2. The Covered Person is responsible for making all payments to Non-U.S. Providers, and submitting receipts to the Plan for reimbursement;
3. Benefit payments will be determined by the Plan based upon the exchange rate in effect on the Incurred Date;
4. The Non-U.S. Provider shall be subject to, and in compliance with, all U.S. and other applicable licensing requirements; and
5. Claims for benefits must be submitted to the Plan in English.

NOT A CONTRACT

This Plan Document and any amendments constitute the terms and provisions of coverage under this Plan. The Plan Document shall not be deemed to constitute a contract of any type between the Company and any Participant or to be consideration for, or an inducement or condition of, the employment of any Employee. Nothing in this Plan Document shall be deemed to give any Employee the right to be retained in the service of the Company or to interfere with the right of the Company to discharge any Employee at any time; provided, however, that the foregoing shall not be deemed to modify the provisions of any collective bargaining agreements which may be entered into by the Company with the bargaining representatives of any Employees.

PHYSICAL EXAMINATION

The Plan reserves the right to have a Physician of its own choosing examine any Covered Person whose condition, Sickness or Injury is the basis of a claim. All such examinations shall be at the expense of the Plan. This right may be exercised when and as often as the Plan may reasonably require during the pendency of a claim. The Covered Person must comply with this requirement as a necessary condition to coverage.

PLAN CONTRIBUTIONS

The Plan Administrator shall, from time to time, evaluate the funding method of the Plan and determine the amount to be contributed by the Employer and the amount to be contributed (if any) by each Covered Person.

The Plan Sponsor shall fund the Plan in a manner consistent with the provisions of the Internal Revenue Code and such other laws and regulations as shall be applicable to the end that the Plan shall be funded on a lawful and sound basis; but, to the extent permitted by governing law, the Plan Administrator shall be free to determine the manner and means of funding the Plan. The amount of the Covered Person's contribution (if any) will be determined from time to time by the Plan Administrator.

PRONOUNS

All personal pronouns used in the Plan shall include either gender unless the context clearly indicates otherwise.

PROTECTION AGAINST CREDITORS

Benefit payments under the Plan are not subject in any way to alienation, sale, transfer, pledge, attachment, garnishment, execution or encumbrance of any kind. Any attempt to accomplish these will not be recognized. The Plan Administrator may, at its sole discretion, terminate Your interest in the benefits payable under this Plan, in which event the Plan will then apply the amount of the payment to the benefit of an adult child, guardian of a minor child, brother or sister, or other relative of the Covered Person. Such payment will fully discharge the Plan's liability to the extent of the payment.

General Provisions (continued)

RIGHT OF RECOVERY PROVISION

Whenever the Plan pays benefits exceeding the amount of benefits payable under the terms of the Plan, the Plan Administrator has the right to recover any such erroneous payment directly from the person or entity who received such payment and/or from the Covered Person on whose behalf the payment was made.

A Covered Person, Provider, another benefit plan, insurer, or any other person or entity who receives a payment for expenses exceeding the amount of benefits available under the terms of the Plan or on whose behalf such payment to the Plan was made, shall return the amount of such erroneous payment to the Plan Sponsor within 30 days of discovery or demand. The Plan Administrator shall have no obligation to secure payment for the expense for which the erroneous payment was made or to which it was applied.

The person or entity receiving an erroneous payment may not apply such payment to another expense. The Plan Administrator shall have the sole discretion to choose who will repay the Plan Sponsor for an erroneous payment and such payment shall be reimbursed in lump sum or deducted from future claims presented for processing.

Health care providers and any other person or entity accepting payment from the Plan, in consideration of such payments, agree to be bound by the terms of this Plan and agree to submit claims for reimbursement in strict accordance with their state's health care practice acts, ICD-9 or CPT standards, Medicare guidelines, HCPCS standards, or other standards approved by the Plan Administrator. Any payments made on claims for reimbursement not in accordance with the above provisions shall be repaid to the Plan within 30 days of discovery or demand or incur prejudgment interest of 1.5% per month. If court action is necessary to recover any erroneous payment, the Plan shall be entitled to recover its litigation cost and actual attorney's fees incurred.

RIGHT TO RECEIVE AND RELEASE INFORMATION

For the purpose of determining the applicability of and implementing the terms of these benefits, the Plan Administrator may, without the consent of or notice to any person, release or obtain any information necessary to determine the acceptability of any applicant or Covered Person for benefits from this Plan. In so acting, the Plan Administrator shall be free from any liability that may arise with regard to such action. Any Covered Person claiming benefits under this Plan shall furnish to the Plan Administrator such information as may be necessary to implement this provision.

SECURITY

The Employer, who is the sponsor of this Plan, will receive electronic protected health information. The information may be identified to the individual in some cases. In relation to such electronic protected health information, the Employer certifies to the Plan that it agrees to:

1. Take appropriate and reasonable safeguards (administrative, physical and technical) to protect the confidentiality, integrity, and availability of the information it creates, receives, maintains or transmits;
2. Require that any agent or subcontractor of the Employer agrees to the same requirements that apply to the Employer under this provision;
3. Report to the Plan any security incident that the Employer becomes aware of; and
4. Apply reasonable and appropriate security measures to maintain adequate separation between the Plan and itself.

STATEMENTS

In the absence of fraud, all statements made by a Covered Person will be deemed representations and not warranties. A statement will not be used to contest coverage under the Plan unless a signed copy of the statement is provided to the Covered Person or, if deceased, to his beneficiary.

WRITTEN NOTICE

Any written notice required under this Plan which, as of the Effective Date, is in conflict with the law of any governmental body or agency which has jurisdiction over this Plan shall be interpreted to conform to the minimum requirements of such law.

CLAIM PROCEDURES; PAYMENT OF CLAIMS

According to Federal regulations which apply to the Plan, there are four types of claims: Pre-service (Urgent and Non-urgent), Concurrent Care and Post-service. However, as noted below, because of this Plan's design, there are no Pre-service Urgent Care Claims which may be filed with the Plan.

1. **Pre-Service Claims.** A "Pre-Service Claim" is a claim for a benefit under the Plan where the Plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of obtaining medical care. However, if the Plan does not require the Covered Person to obtain approval of a medical service prior to getting treatment, then there is no "Pre-Service Claim." The Covered Person simply follows the Plan's procedures with respect to any notice which may be required after receipt of treatment, and files the claim as a Post-Service Claim.

A "Pre-service Urgent Care Claim" is any claim for medical care or treatment with respect to which the application of the time periods for making non-urgent care determinations could seriously jeopardize the life or health of the Covered Person or the Covered Person's ability to regain maximum function, or, in the opinion of a physician with knowledge of the Covered Person's medical condition, would subject the Covered Person to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

It is important to remember that, if You need medical care for a condition which could seriously jeopardize Your life, there is no need to contact the Plan for prior approval. You should obtain such care without delay.

The Plan does not require the Covered Person to obtain approval of any urgent care or Emergency medical services or admissions prior to getting treatment for an urgent care or Emergency situation, so there are no "Pre-service Urgent Care Claims" under the Plan. The Covered Person simply follows the Plan's procedures with respect to any notice which may be required after receipt of treatment, and files the claim as a Post-Service Claim.

Pre-admission certification of a non-Emergency Hospital admission is a "claim" only to the extent of the determination made – that the type of procedure or condition warrants inpatient Confinement for a certain number of days. The rules regarding Pre-Service Claims will apply to that determination only. Once a Covered Person has the treatment in question, the Claim for Benefits relating to that treatment will be treated as a Post-Service Claim.

2. **Concurrent Claims.** A "Concurrent Claim" arises when the Plan has approved an on-going course of treatment to be provided over a period of time or number of treatments, and either:
 - a. The Plan determines that the course of treatment should be reduced or terminated; or
 - b. The Covered Person requests extension of the course of treatment beyond that which the Plan has approved.

If the Plan does not require You to obtain approval of a medical service prior to getting treatment, then there is no need to contact the Plan Administrator to request an extension of a course of treatment. You simply follow the Plan's procedures with respect to any notice which may be required after receipt of treatment, and files the claim as a Post-Service Claim.

3. **Post-Service Claims.** A "Post-Service Claim" is a claim for a benefit under the Plan after the services have been rendered.

WHEN CLAIMS MUST BE FILED

Claims must be filed with the Administrative Service Manager within 365 days of the date charges for the service were incurred. Benefits are based upon the Plan's provisions at the time the charges were incurred. Charges are considered incurred when treatment or care is given or supplies are provided. **Claims filed later than that date shall be denied.**

A Pre-Service Claim (including a Concurrent Claim that also is a Pre-Service Claim) is considered to be filed when the request for approval of treatment or services is made and received by the Administrative Service Manager in accordance with the Plan's procedures. However, a Post-Service Claim is considered to be filed when the following information is received by the Administrative Service Manager, together with a Form HCFA or Form UB92:

1. The date of service;
2. The name, address, telephone number and tax identification number of the provider of the services or supplies;
3. The place where the services were rendered;

Claim Procedures; Payment of Claims (continued)

4. The diagnosis and procedure codes;
5. The amount of charges, which reflect any applicable PPO repricing;
6. The name of the Plan;
7. The name of the covered Employee; and
8. The name of the patient.

Upon receipt of this information, the claim will be deemed to be filed with the Plan. The Administrative Service Manager will determine if enough information has been submitted to enable proper consideration of the claim. If not, more information may be requested as provided herein. This additional information must be received by the Administrative Service Manager within 45 days (48 hours in the case of Pre-service Urgent Care Claims) from receipt by the Covered Person of the request for additional information. **Failure to do so may result in claims being declined or reduced.**

TIME OF CLAIM DETERMINATION

You will be notified, in accordance with the provisions set forth below, of any adverse benefit determination (and, in the case of Pre-Service Claims and Concurrent Claims, of decisions that a claim is payable in full) within the following timeframes:

1. Pre-service Non-urgent Care Claims:

- a. If You have provided all of the information needed to process the claim, in a reasonable period of time appropriate to the medical circumstances, but not later than 15 days after receipt of the claim, unless an extension has been requested, then prior to the end of the 15-day extension period.
- b. If You have not provided all of the information needed to process the claim, then You will be notified as to what specific information is needed as soon as possible, but not later than 5 days after receipt of the claim. You will be notified of a determination of benefits in a reasonable period of time appropriate to the medical circumstances, either prior to the end of the extension period (if additional information was requested during the initial processing period), or by the date agreed to by the Plan Administrator and You (if additional information was requested during the extension period).

2. Concurrent Claims:

- a. Plan Notice of Reduction or Termination. If the Plan Administrator is notifying You of a reduction or termination of a course of treatment (other than by Plan amendment or termination), before the end of such period of time or number of treatments. You will be notified sufficiently in advance of the reduction or termination to allow an appeal and to obtain a determination on review of that adverse benefit determination before the benefit is reduced or terminated.
- b. Request by a Covered Person Involving Urgent Care. If the Plan Administrator receives a request from a Covered Person to extend the course of treatment beyond the period of time or number of treatments that is a claim involving Urgent Care, as soon as possible, taking into account the medical exigencies, but not later than 24 hours after receipt of the claim, as long as the Covered Person makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments. If the Covered Person submits the request with less than 24 hours prior to the expiration of the prescribed period of time or number of treatments, the request will be treated as a claim involving Urgent Care and decided within the Urgent Care timeframe.
- c. Request by a Covered Person Involving Non-urgent Care. If the Plan Administrator receives a request from the Covered Person to extend the course of treatment beyond the period of time or number of treatments that is a claim not involving Urgent Care, the request will be treated as a new benefit claim and decided within the timeframe appropriate to the type of claim (either as a Pre-service Non-urgent Claim or a Post-Service Claim).

3. Post-Service Claims:

Claim Procedures; Payment of Claims (continued)

- a. If You have provided all of the information needed to process the claim, in a reasonable period of time, but not later than 30 days after receipt of the claim, unless an extension has been requested, then prior to the end of the 15-day extension period.
 - b. If You have not provided all of the information needed to process the claim and additional information is requested during the initial processing period, then You will be notified of a determination of benefits prior to the end of the extension period, unless additional information is requested during the extension period, then You will be notified of the determination by a date agreed to by the Plan Administrator and You.
4. Extensions – Pre-service Non-urgent Care Claims. This period may be extended by the Plan for up to 15 days, provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies You, prior to the expiration of the initial 15-day processing period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision.
 5. Extensions – Post-Service Claims. This period may be extended by the Plan for up to 15 days, provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies You, prior to the expiration of the initial 30-day processing period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision.
 6. Calculating Time Periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is deemed to be filed in accordance with the procedures of the Plan.

NOTIFICATION OF AN ADVERSE BENEFIT DETERMINATION

The Plan Administrator shall provide You with a notice, either in writing or electronically, containing the following information:

1. A reference to the specific portion(s) of the Plan Document upon which a denial is based;
2. Specific reason(s) for a denial;
3. A description of any additional information necessary for You to perfect the claim and an explanation of why such information is necessary;
4. A statement that You are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to Your Claim for Benefits;
5. The identity of any medical or vocational experts consulted in connection with a claim, even if the Plan did not rely upon their advice (or a statement that the identity of the expert will be provided, upon request);
6. Any rule, guideline, protocol or similar criterion that was relied upon in making the determination (or a statement that it was relied upon and that a copy will be provided to You, free of charge, upon request); and
7. In the case of denials based upon a medical judgment, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to Your medical circumstances, or a statement that such explanation will be provided to You, free of charge, upon request.

APPEAL OF ADVERSE BENEFIT DETERMINATIONS

Full and Fair Review of All Claims

In cases where a Claim for Benefits is denied, in whole or in part, and You believe the claim has been denied wrongly, You may appeal the denial and review pertinent documents. The claims procedures of this Plan provide You with a reasonable opportunity for a full and fair review of a claim and adverse benefit determination. More specifically, the Plan provides:

1. You at least 180 days following receipt of a notification of an initial adverse benefit determination within which to appeal the determination;

Claim Procedures; Payment of Claims (continued)

2. You the opportunity to submit written comments, documents, records, and other information relating to the Claim for Benefits;
3. For a review that does not afford deference to the previous adverse benefit determination and that is conducted by an appropriate named fiduciary of the Plan, who shall be neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual;
4. For a review that takes into account all comments, documents, records, and other information submitted by You relating to the claim, without regard to whether such information was submitted or considered in the prior benefit determination;
5. That, in deciding an appeal of any adverse benefit determination that is based in whole or in part upon a medical judgment, the Plan fiduciary shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment, who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinate of any such individual;
6. For the identification of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with a claim, even if the Plan did not rely upon their advice; and
7. That You will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to Your Claim for Benefits in possession of the Plan Administrator or the Administrative Services Manager; information regarding any voluntary appeals procedures offered by the Plan; any internal rule, guideline, protocol or other similar criterion relied upon in making the adverse determination; and an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to Your medical circumstances.

2. The Employee/Dependent's social security number;
3. The group name or identification number;
4. All facts and theories supporting the Claim for Benefits. **Failure to include any theories or facts in the appeal will result in their being deemed waived. In other words, You will lose the right to raise factual arguments and theories which support this claim if You fail to include them in the appeal;**
5. A statement in clear and concise terms of the reason or reasons for disagreement with the handling of the claim; and
6. Any material or information that You have which indicates that You are entitled to benefits under the Plan.

The Plan Administrator shall notify You of the Plan's benefit determination on review within the following timeframes:

Claim Procedures; Payment of Claims (continued)

1. Pre-service Non-urgent Care Claims: Within a reasonable period of time appropriate to the medical circumstances, but not later than 30 days after receipt of the appeal.
2. Concurrent Claims: The response will be made in the appropriate time period based upon the type of claim – Pre-service Urgent, Pre-service Non-urgent or Post-service.
3. Post-Service Claims: Within a reasonable period of time, but not later than 60 days after receipt of the appeal.
4. Calculating Time Periods. The period of time within which the Plan’s determination is required to be made shall begin at the time an appeal is filed in accordance with the procedures of this Plan, without regard to whether all information necessary to make the determination accompanies the filing.

Manner and Content of Notification of Adverse Benefit Determination on Review

The Plan Administrator shall provide You with notification, in writing or electronically, of a Plan’s adverse benefit determination on review, setting forth:

1. The specific reason or reasons for the denial;

6. If the adverse benefit determination is based upon a medical judgment, a statement that an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to Your medical circumstances, will be provided free of charge upon request; and
7. The following statement: “You and Your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact Your local U.S. Department of Labor Office and Your state insurance regulatory agency.”

Furnishing Documents in the Event of an Adverse Determination

In the case of an adverse benefit determination on review, the Plan Administrator shall provide such access to, and copies of, documents, records, and other information described in items 3 through 6 of the section relating to “Manner and Content of Notification of Adverse Benefit Determination on Review” as appropriate.

Decision on Review to be Final

If, for any reason, You do not receive a written response to the appeal within the appropriate time period set forth above, You may assume that the appeal has been denied. The decision by the Plan Administrator or other appropriate named fiduciary of the Plan on review will be final, binding and conclusive and will be afforded the maximum deference permitted by law. **All claim review procedures provided for in the Plan must be exhausted before any legal action is brought. Any legal action for the recovery of any benefits must be commenced within one year after the Plan’s claim review procedures have been exhausted.**

A complaint may also be submitted to non-binding arbitration upon mutual agreement with the Employer and other parties involved pursuant to the rules of the American Arbitration Association. The arbitrator cannot award any punitive damages or ignore or vary the provisions of the Plan and must follow all applicable laws.

HIPAA PRIVACY

Definitions

Breach means an unauthorized acquisition, access, use or disclosure of Protected Health Information (“PHI”) or Electronic Protected Health Information (“ePHI”) that violates the HIPAA Privacy Rule and that compromises the security or privacy of the information.

Protected Health Information (“PHI”) means individually identifiable health information, as defined by HIPAA, that is created or received by us and that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or for which there is a reasonable basis to believe the information can be used to identify the individual. PHI includes information of persons living or deceased.

Commitment to Protecting Health Information

The Plan will comply with the Standards for Privacy of Individually Identifiable Health Information (i.e., the “Privacy Rule”) set forth by the U.S. Department of Health and Human Services (“HHS”) pursuant to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). Such standards control the dissemination of “protected health information” (“PHI”) of Participants. Privacy Standards will be implemented and enforced in the offices of the Employer and Plan Sponsor and any other entity that may assist in the operation of the Plan.

The Plan is required by law to take reasonable steps to ensure the privacy of the Participant’s PHI, and inform him/her about:

1. The Plan’s disclosures and uses of PHI;
2. The Participant’s privacy rights with respect to his/her PHI;
3. The Plan’s duties with respect to his/her PHI;
4. The Participant’s right to file a complaint with the Plan and with the Secretary of HHS; and
5. The person or office to contact for further information about the Plan’s privacy practices.

Within this provision capitalized terms may be used, but not otherwise defined. These terms shall have the same meaning as those terms set forth in 45 CFR Sections 160.103 and 164.501. Any HIPAA regulation modifications altering a defined HIPAA term or regulatory citation shall be deemed incorporated into this provision.

How Health Information May be Used and Disclosed

In general, the Privacy Rules permit the Plan to use and disclose, the minimum necessary amount, an individual’s PHI, without obtaining authorization, only if the use or disclosure is:

1. To carry out Payment of benefits;
2. For Health Care Operations;
3. For Treatment purposes; or
4. If the use or disclosure falls within one of the limited circumstances described in the rules (e.g., the disclosure is required by law or for public health activities).

Disclosure of PHI to the Plan Sponsor for Plan Administration Purposes

In order that the Plan Sponsor may receive and use PHI for plan administration purposes, the Plan Sponsor agrees to:

1. Not use or further disclose PHI other than as permitted or required by the Plan documents or as required by law (as defined in the Privacy Standards);
2. Ensure that any agents, including a subcontractor, to whom the Plan Sponsor provides PHI received from the Plan, agree to the same restrictions and conditions that apply to the Plan Sponsor with respect to such PHI;

3. Establish safeguards for information, including security systems for data processing and storage;
4. Maintain the confidentiality of all PHI, unless an individual gives specific consent or authorization to disclose such data or unless the data is used for health care payment or Plan operations;
5. Receive PHI, in the absence of an individual's express authorization, only to carry out Plan administration functions;
6. If a Plan engages in underwriting: Not use or disclose genetic information for underwriting purposes.
7. Not use or disclose PHI for employment-related actions and decisions or in connection with any other benefit or Employee benefit plan of the Plan Sponsor, except pursuant to an authorization which meets the requirements of the Privacy Standards;
8. Report to the Plan any PHI use or disclosure that is inconsistent with the uses or disclosures provided for of which the Plan Sponsor becomes aware;
9. Make available PHI in accordance with section 164.524 of the Privacy Standards (45 CFR 164.524);
10. Make available PHI for amendment and incorporate any amendments to PHI in accordance with section 164.526 of the Privacy Standards (45 CFR 164.526);
11. Make available the information required to provide an accounting of disclosures in accordance with section 164.528 of the Privacy Standards (45 CFR 164.528);
12. 1.
